RELAZIONE ES.02:SWITCH

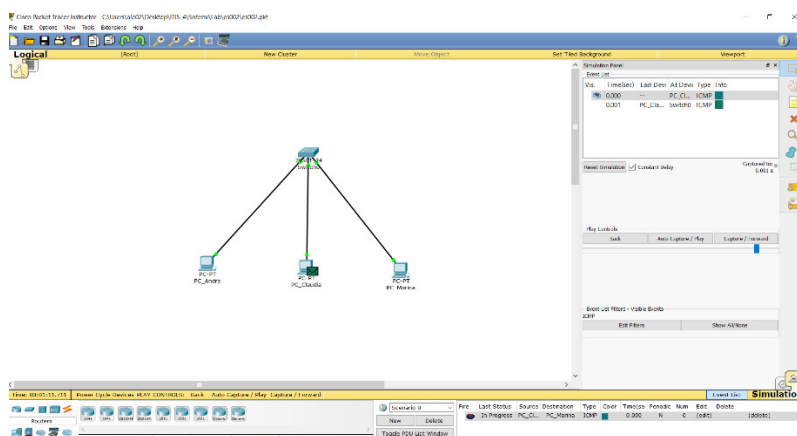

Obbiettivi:

Costruire una rete formata da tre pc e uno Switch

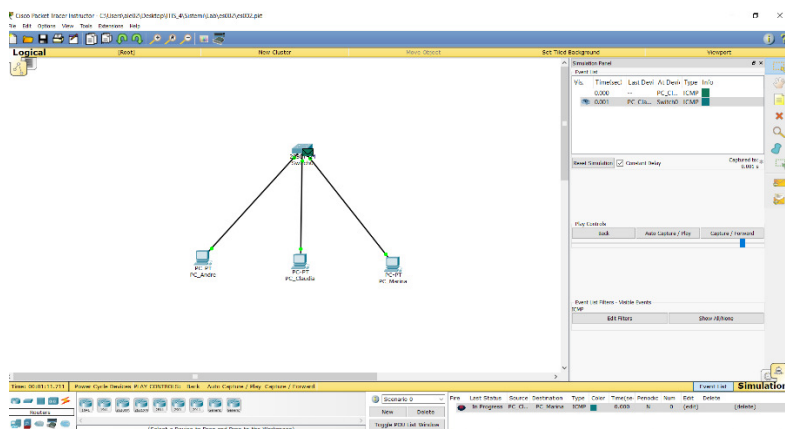

Disegno + Spiegazione:

Situazione iniziale

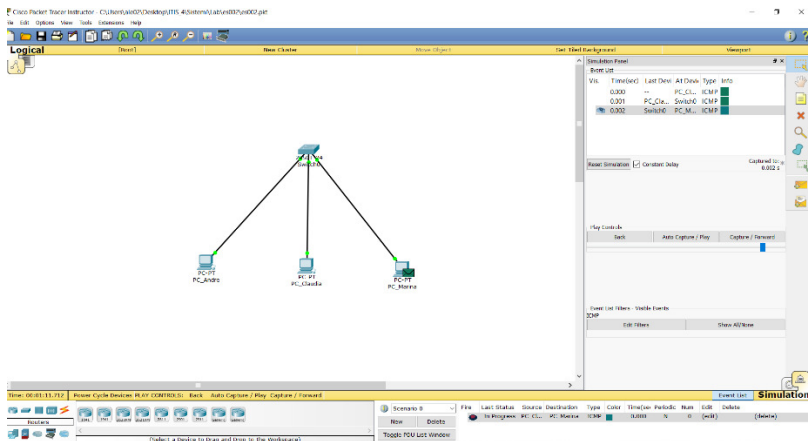

1) Ping da PC_Claudia a PC_Marina:

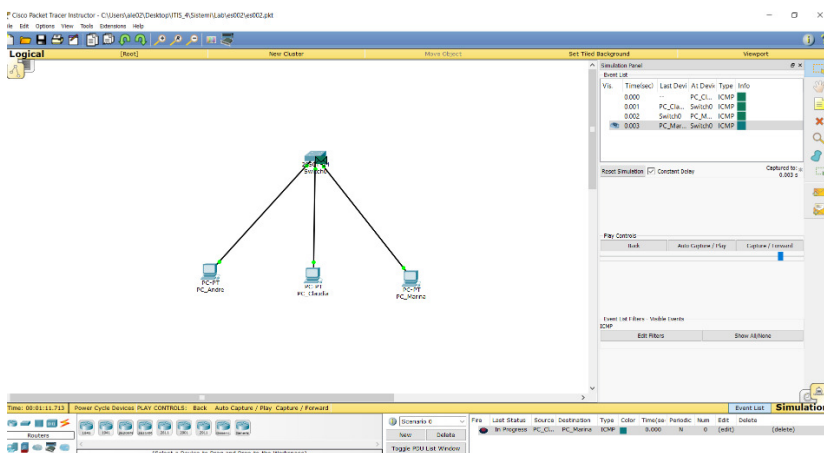

Il messaggio parte da pc_Claudia e va allo switch

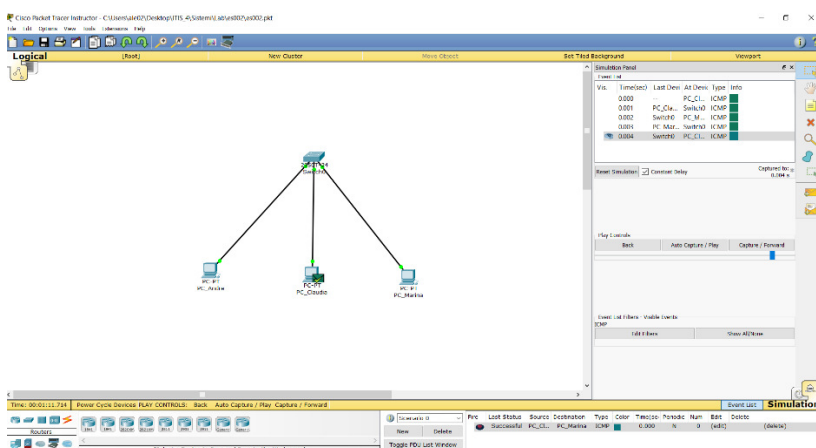

Lo switch invia il messaggio a pc_Marina

Pc_Marina accetta il messaggio e lo rimanda allo switch

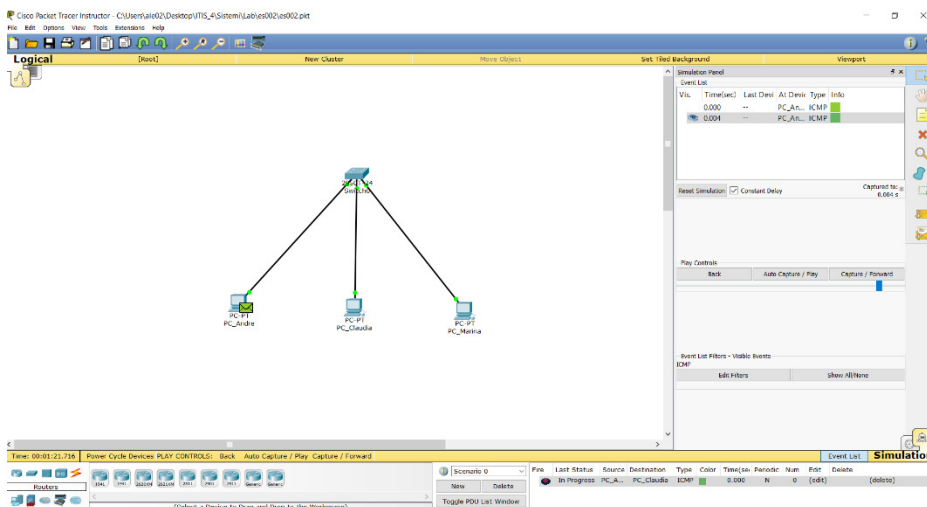

Lo switch invia il messaggio a pc_Claudia

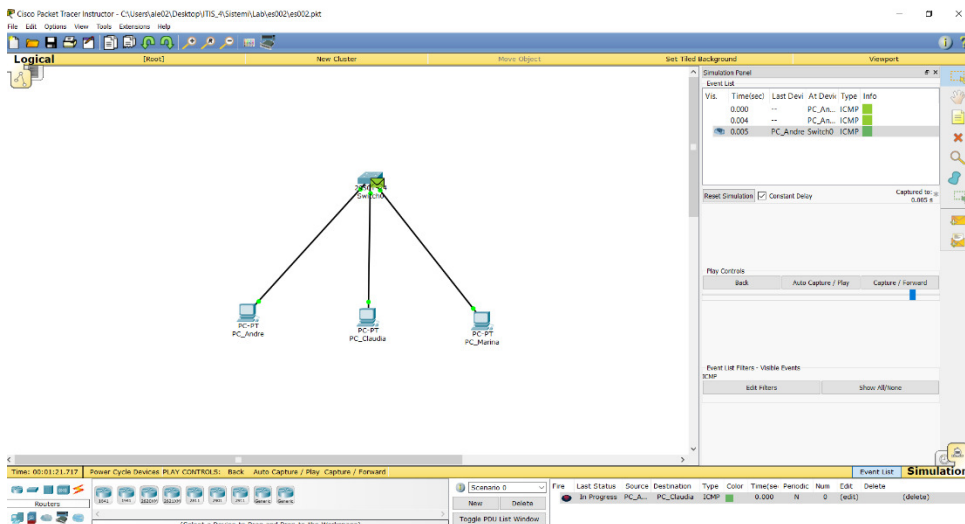

Pc_Claudia accetta il messaggio

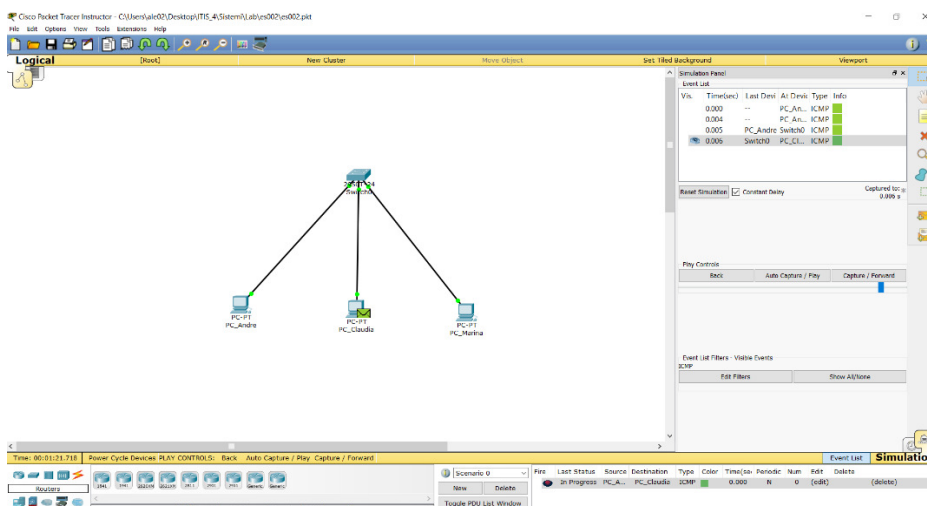

2) Ping da PC_Andrea a PC_Claudia:

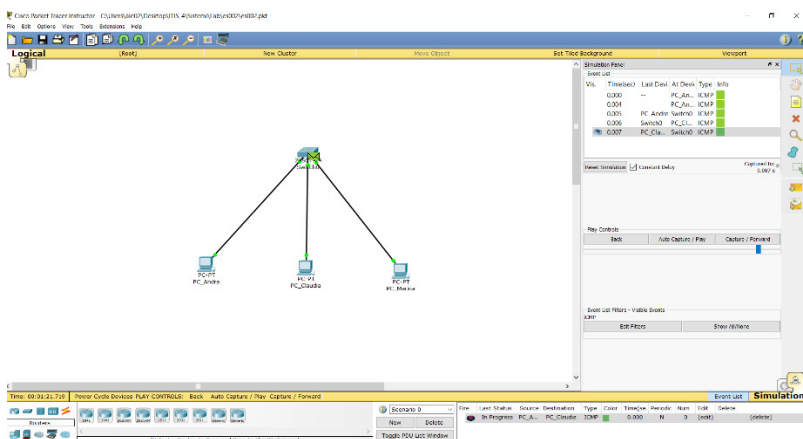

Il messaggio parte da pc_Andrea e va allo switch

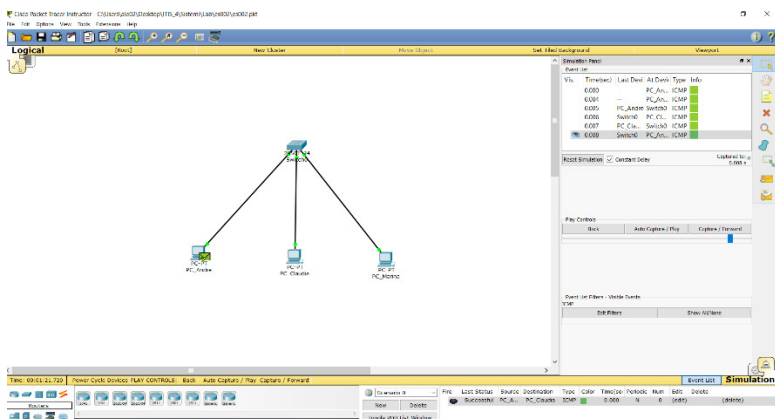

Il messaggio arriva allo switch e lo invia a pc_Claudia

Pc_Claudia riceve il messaggio e lo manda allo switch

Lo switch riceve il messaggio e lo invia a pc_Andrea

Solo pc_Andrea riceve il messaggio
